### NOTES

1. TKC Management has the right to determine class eligibility of any driver.
  2. Class weights, etc. may be adjusted as deemed necessary by TKC Officials.
  3. Additional classes may be added, if a minimum of three entries register to compete for an event.
  4. Classes unable to maintain a minimum average of three entries may be dropped from the schedule by TKC Officials.
  5. Weights listed above are official minimum weights each kart and driver must meet when exiting the track per Part 1, Section 6.16 of this document, based on their class & engine combination.
  6. LO206 Masters maybe ran with LO206 375.
  7. Drivers may not compete in both LO206 360 and 375# classes at the same time.
- \* May include other engines if Honda GXH50 Engines are not available.

\*\* All 12-14 age drivers must be approved by TKC Officials to compete in class. LO206 325 drivers may not compete in the yellow slide Jr. class.

\*\*\*LO206 Driver must be age of 35 yrs or weigh a minimum of 215 lbs with racing gear (helmet etc.) to be eligible for LO206 Masters class.
